EXTRA CREDITS FOR WAR TIME VETERANS

Answering questions in this section means that you are requesting extra credits as either a non-disabled veteran or a disabled veteran. All veterans are encouraged to answer questions in this section of the application to ensure that appropriate points are added to passing examination scores. Veterans who answer "YES" to questions 1, 2, AND 3 may receive tentative credits as a non-disabled veteran; candidates who also answer "YES" to question 4 may receive tentative disabled veteran credits. If you previously used non-disabled veteran credits to obtain a permanent appointment to a position in New York State or Local Government, and subsequent to appointment, were certified as a disabled veteran, you may be eligible to receive additional disabled veteran credits by answering "YES" to BOTH questions 5a AND 5b in this section. NOTE: All veterans claiming extra credit will be required to produce eligibility documentation which will be verified at time of interview. Candidates found ineligible for such credit will have the points subtracted from their examination score(s). If it is determined that veteran credits do not increase one's reachability for appointment from an eligible list, the use of veteran credits for such appointment will be waived, and veteran credits can be claimed for future civil service examinations until such time as they are used to receive a permanent appointment as provided by the New York State Constitution.

ADDITIONAL EXAMINATION CREDITS PURSUANT TO CIVIL SERVICE LAW SECTION 85-a

If you are a child or sibling of a firefighter, police officer, emergency medical technician, or paramedic who was killed in the line of duty in the service of New York State, you may be entitled for additional examination credits pursuant to Civil Service Law Section 85-a.
