## ACCIDENT REPORTING SYSTEM

To report a work-related injury or illness, call **1-888-800-0029** toll-free, Monday through Friday, 8 a.m. to 5 p.m., Eastern Time (excluding State holidays).

If you are a New York State employee and have a work-related injury or illness, **call ARS right away to ensure workers' compensation benefits are available as soon as possible.** Benefits may include medical treatment, wage replacement, leave usage and more.

A supervisor, coworker or family member may report the injury or illness on your behalf if you can't.

Your report will be taken quickly and confidentially. Write down the incident number the ARS Call Center gives you.

You should also:

- Get medical help if you need it. Tell your doctor that your injury or illness is work-related.
- Report your injury or illness to your supervisor.
- Call your personnel or safety office if you have any questions. They can provide you with more information on ARS and your benefits.
