Classification Standard

**Occ. Code 8159512**

<b>Social Work Supervisor 1 (LCSW), Grade 25</b>	<b>8159512</b>
<b>Director Social Work (LCSW), M-3</b>	<b>8159540</b>

Brief Description of Class Series

Positions in this class are licensed professionals who oversee and direct social work programs, including clinical social work services (e.g., diagnosis, psychotherapy, biopsychosocial assessments, and assessment-based treatment planning), for individuals\* in State facilities, programs, and settings. Incumbents plan, develop, implement, and evaluate social work services; and provide clinical and administrative supervision to social work staff.

Positions are classified in various State agencies.

\*Individual refers to a person who is being treated or cared for, and is used in place of patient, client, or other nomenclature specific to an agency.

Distinguishing Characteristics

*Social Work Supervisor 1 (LCSW)*: oversees and supervises a social work program or department with ten or more social work staff, five or more of which must be Licensed Clinical Social Workers; develops, implements, and evaluates social work services, including clinical social work services, such as the diagnosis of mental, emotional, behavioral, developmental, and/or addictive disorders, completion of biopsychosocial assessments, development of assessment-based treatment plans, and provision of psychotherapy; and may assist a Director Social Work (LCSW) in the oversight of a large social work program or department.

*Director Social Work (LCSW)*: directs a social work program or department with 20 or more social work staff, 10 or more of which must be Licensed Clinical Social Workers; and develops, implements, and evaluates social work services, including clinical social work services, such as the diagnosis of mental, emotional, behavioral, developmental, and/or addictive disorders, completion of biopsychosocial assessments, development of assessment-based treatment plans, and provision of psychotherapy.

Related Classes

Licensed Clinical Social Workers are licensed professionals who provide clinical and other social work services to individuals in State facilities, programs, and settings; apply professional social work theory, principles, and methods; diagnose mental, emotional, behavioral, addictive, and developmental disorders and disabilities and the psychosocial aspects of illness, injury, disability, and impairment within a psychosocial framework; administer and interpret tests and measures of psychosocial functioning; develop and implement assessment-based treatment plans; provide psychotherapeutic treatment to prevent, treat, ameliorate, and resolve psychosocial dysfunction and maintain and enhance the mental, emotional, behavioral, social functioning, and wellbeing of individuals.

Licensed Master Social Workers are licensed professionals who provide social work services to individuals in State facilities and programs; apply professional social work theory, principles, and methods to assess, evaluate, formulate, and implement a plan of action based on an individual's needs and strengths, and intervene to address mental, social, emotional, behavioral, developmental, and addictive disorders, conditions, and disabilities and the psychosocial aspects of illness and injury; and may also provide clinical services and psychotherapy to individuals if appropriately licensed or under the supervision of a licensed mental health professional in accordance with Article 154 of the Education Law.

### Illustrative Duties

#### *Social Work Supervisor 1 (LCSW)*

Supervises, plans, develops, implements, and evaluates social work programs and services, which include the diagnosis of mental, emotional, behavioral, developmental, and/or addictive disorders; completion of biopsychosocial assessments; development of assessment-based treatment plans; and provision of psychotherapy.

- Performs the full range of supervisory duties over subordinate social work staff, including Licensed Clinical Social Workers and Licensed Master Social Workers.
- Determines social work program priorities, goals, and objectives; and develops and monitors policies and practices to ensure consistency with regulatory requirements, agency policy, professional standards, and other relevant laws, rules, and regulations.
- Oversees administrative and reporting functions, including fiscal, human resources, program statistical reports, and other support services; prepares social work program budget requests; and participates in the recruitment and selection of social work staff.
- Develops competency-based assessment tools and establishes staff performance standards.

- Reviews and evaluates clinical documentation and the ability of social work staff to assess and treat individuals, determine the quality and appropriateness of treatment and interventions provided to individuals, and ensure that documentation meets professional and regulatory guidelines.
- Evaluates the educational needs of social work staff and ensures professional social work staff maintain continuing education and licensure requirements.

May assist a Director Social Work (LCSW) in the oversight of a large social work program or department, including the provision of clinical social work services; and serve as the director of such in their absence.

*Director Social Work (LCSW)*

Performs the duties of a Social Work Supervisor 1 (LCSW) and directs a large social work program or department, including the provision of clinical social work services.
