-----	--------------------------------	---	---	--------------------------	----------	-----	-------------

The Commission disapproved the request as the appointing authority failed to demonstrate that there were no qualified non-retirees available for appointment. This is not a determination on the continued employment of Mr. Nardi. Rather, this is solely a determination on the appropriateness of collecting a salary and a pension as a retired person. The Commission stipulated that if the appointing authority believes prior law enforcement experience should be required, a discussion must take place with the Westchester County Department of Human Resources. If a determination is made that minimum qualifications are appropriate, continued allocation to the labor class would no longer be warranted and it is probable that an examination would be practicable.
